SPONSORSHIP PACKAGE

2022/2023

THE NETWORKING & IT SECURITY STUDENTS' ASSOCIATION

About Us

The Networking and IT Security Students' Association (Netsoc) aims to provide opportunities for over 200 students to learn and grow in their professional careers.

We provide meaningful learning experiences and exposure to industry activities for our students through case competitions, hacking events, IT workshops, and much more. We believe that we can always learn from each other, and we encourage collaboration amongst our students to connect with others within and outside of the association.

Targeting ~450
Networking & IT Students

Spent ~\$3500 on events in
the 2021/22 school year

Goals for the 2022/23 year

- Invite students to external conferences - local or international.
- Collaborate with other schools and organizations to organize Capture The Flag (CTF) events.
- Increase our outreach and become more involved locally and internationally.
- Foster a space for student learning and collaboration.

UPCOMING EVENTS

Capture the Flag Competition (Tacops)

This bi-annual event provides an opportunity for our students to improve their IT skills by competing in a variety of competitions. Tacops is offered to all students despite their level of IT experience. This event encourages students to apply their in-class teachings in a practical environment and collaborate with other students in their field.

IT Workshops

Throughout the year, we offer various IT workshops for our students to attend. We aim to enhance the learning that students receive in their classes, as well as teach them something new that they didn't get the chance to learn about in a course. We provide workshops on the following: Python, Linux, SQL, Pentesting, and more!

Hackfest

Hackfest is a technology event led by GDSC PSB, that is designed to encourage students to be innovative through creating different hacks. This 13 day event gives students the opportunity to network with industry professionals and participate in various tech bootcamps.

SPONSOR TIERS

	Bronze \$250 - \$999	Silver \$1000 - \$2499	Gold \$2500+
